Section 4- First Aid Measures

(a) Description of f	Irst aid measures
General advice	In case of accident or unwellness, seek medical advice immediately
Inhalation	If fumes or combustion products are inhaled, remove victim to fresh air and
	keep at rest in a position comfortable for breathing. Get medical advice/attention if you feel unwell
Ingestion	Give water to rinse out mouth, then drink plenty of water, vomiting, and go to a doctor
Eye contact	Keep eyelids apart and away from eye and moving the eyelids by lifting the upper and lower lids occasionally, flush eyes with plenty of water or saline

Shenzhen TCT Testing Technology Co., Ltd.

Report No. : TCT200916W011 Date : Sept. 18, 2020

Page No.: 4 / 8

Skin contact

water for at least 15 minutes, call a physician if irritation persists. Wash off immediately with soap and plenty of water while removing all contaminated clothes and shoes. Wash contaminated clothing before reuse. If skin irritation persists, call a physician.

(b) Most important symptoms and effects, both acute and delayed

No information available

(c) Indication of any immediate medical attention and special treatment needed Treat symptomatically

Section 5- Fire Fighting Measures

(a) Extinguishing media

Suitable extinguishing

media

Unsuitable extinguishing media

No information available

(b) Special hazards arising from the substance or mixture

No information available

(c) Special protective equipment and precautions for fire-fighters

Firefighters should wear self-contained breathing apparatus and full firefighting turnout gear; Prevent, by any means available, spillage from entering drains or water courses; Use water delivered as a fine spray to control fire and cool adjacent area.

Water, CO₂, Dry chemical powder, Foam

Section 6- Accidental Release Measures

(a) Personal precautions, protective equipment and emergency procedures

Evacuate personnel to safe areas. Avoid contact with skin, eyes or clothing. Ensure adequate ventilation, especially in confined areas. Do not breathe dust/fume/gas/mist/vapors/spray.

(b) Environmental precautions

Prevent product from entering drains

(c) Methods and material for containment and cleaning up

Pick up and transfer to properly labeled containers. Avoid generation of dust

Report No. : TCT200916W011 Date : Sept. 18, 2020

Page No.: 5 / 8

Section 7- Handling and Storage

(a) Precautions for safe handling

Handle in accordance with good industrial hygiene and safety practice. Avoid contact with skin, eyes or clothing. Avoid generation of dust. Do not breathe dust/fume/gas/mist/vapors/spray

(b) Conditions for safe storage, including any incompatibilities

Keep containers tightly closed in a dry, cool and well-ventilated place. Protect from moisture and fire. Store away from Oxidant, acids, halogen, Equipped with corresponding varieties and number of fire equipment and leakage emergency treatment equipment.

Section 8 - Exposure Controls/Personal Protection

(a) Exposure controls Engineering Controls

Ensure adequate ventilation, especially in confined areas

(b) Personal protective equipment

Personal
equipmentprotectiveRespiratory Protection: Special protection is generally not required,
but if exposed to dust, it is recommended to wear self absorption filter
dust masks

Skin Protection: Wear suitable protective clothing and gloves

Eye Protection: Not necessary under normal conditions. Wearing chemical safety protective glasses if necessary Wash hands or take a shower after working

Hygiene Measures

(c) Environmental exposure controls

Avoid release to the environment

Section 9- Physical	and Chemical Properties	
Physical State	Appearance: Yellow	
	Form: Liquid	
	Odor: Champion Juice	
pH, with indication of the concentration	No data	
Melting/freezing point	No data	
Boiling Point, initial boiling	No data	

Shenzhen TCT Testing Technology Co., Ltd.

Report No. : TCT200916W011

Section 13 – Disposal Considerations

Waste treatment methods

Product disposal recommendation: Observe local, state and federal laws and regulations.

Packaging disposal recommendation: Containers may be recycled or re-used. Observe local, state and federal laws and regulations.

The potential effects on the environment and human health of the substances used in material; the desirability of not disposing of waste material as unsorted municipal waste and of participating in their separate collection so as to facilitate treatment and recycling;

Section 14 – Transport Information

UN Number Proper shipping name **Hazard Class Packing Group Environmental hazards Special precautions** Transport in bulk according to Annex II of MARPOL 73/78 Not applicable and the IBC Code

Not regulated Not regulated Not regulated Not regulated Not regulated No information available

Section 15 – Regulatory Information

Safe, health and environment regulations/ legislation specific for the substance or mixture International laws/ regulations

Endanger the safety of information requirements on the label

Requirements for hazard and safety information on the label

Tags according to EU guidelines

The product should follow the relevant regulations of EU Directive/Hazardous substances regulations

Section 16 – Additional Information

The information above is believed to be accurate and represents the best information currently available to us. However, concorde makes no warranty of merchantability or any other warranty, express or implied, with respect to such information, and we assume no liability resulting from its use. Users should make their own investigations to determine the suitability of the information for their particular purposes. Although reasonable precautions have been taken in the preparation of the data contained herein, it is offered solely for your information, consideration and investigation. This material safety data sheet provides guidelines for the safe handling and use of this product; it does not and cannot advise on all possible situations, therefore, your specific use of this product should be evaluated to determine if additional precautions are required.

The data/information contained herein has been reviewed and approved for general release on the basis that this document contains no export controlled information.
